PROFILE

Experienced Software Developer with 8+ years of expertise in developing high-performance applications. Skilled in full-stack development, databases, and software design.

Aspiring full-stack web developer leveraging a foundation in Reactjs/Nodejs and embarking on an exciting journey to master Nextjs. With a background in data science using Python, I offer a unique blend of analytical and creative thinking. Formerly a skilled bartender for 3 years, I thrive in fast-paced, client-focused environments.

EMPLOYMENT HISTORY
